

MARTINIAN

11/10

ALMA MATER

On the banks of rushing Warrior,
Nestles Martin High,
True to thee, our Alma Mater,
Neath the Southern Skies.

Long beneath thy walls we've lingered
All with kindred minds,
We, to thee and to each other,
Find a tie that binds.

As we leave thee, Alma Mater,
Leave thy guiding light,
Higher still we'll hold thy banner
Red and the white.

Martin, Martin, dear old Martin,
True to thee we'll be,
May we be thy staunch defenders
Through eternity.

Dedication

Our hearts are full when we try to pen our thoughts of you. Your radiant smile to make us gay, your ever willing hands to perform some service for us, your patience to cope with our problems, your helpful advice on which we can depend, your teaching us through the years, and your delightful personality is a source of inspiration to us all.

In your kind eyes is reflected the wisdom, knowledge, and happiness gained through years of endeavor, perseverance, and joyful Christian service.

For these reasons and many others for which we cannot find words to express, we are happy to dedicate this edition of our MARTINIAN to you---

MRS. WALES L. KINDLEY

Principal's Message

An education is a must. The time to acquire an education is when you are young and have few responsibilities. With qualified teachers at your disposal and with the help of good books and buildings, anyone, with the ability, who desires an education has an opportunity to acquire one.

Students, do not thwart any chance you may have to further your education. If by some misfortune you do not get an education in our schools, there are many ways you can become educated. You will have so many more opportunities to make good if your education is of the highest quality. Time in a life span is precious and cannot be recalled; therefore, it behooves each and everyone of us to get the highest education possible.

William T. Brakefield

A black and white portrait of a middle-aged man with short, dark hair, wearing a dark suit, white shirt, and patterned tie. He is looking slightly to the left of the camera with a neutral expression. The portrait is framed by a simple black border.

*Superintendent's
Message*

One hundred years ago slavery was legal, public schools for the masses were virtually nil, transportation slow and monotonous, communications poor, labor or a profession long hours and low remuneration. Today you live in a push-button age. Precious time and golden opportunities are yours.

SUCCESS, your SUCCESS, and the success of our country, depend upon the grasp of your opportunities and the wise use of your time. Set a goal and don't ever say fail - drive on - you'll arrive some way. Invoke the aid of the "Great Spirit." Don't drift with the crowd or you'll probably land with the trash.

"Heights by great men reached and kept were not obtained by sudden flight,
But they, while their companions slept, were upward toiling in the night."

The atom is powerful, hydrogen awesome, and the rocket out of this world. Yet the mind of man discovered and unraveled their mysteries. I need must say then, the mind of man is greater than these, and God is the creator of them all.

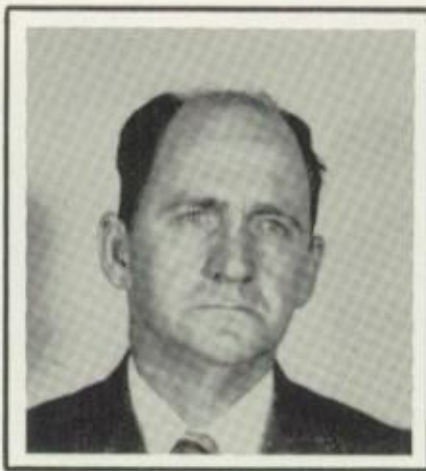

Martinians, march to heights unknown.

Sincerely your friend,

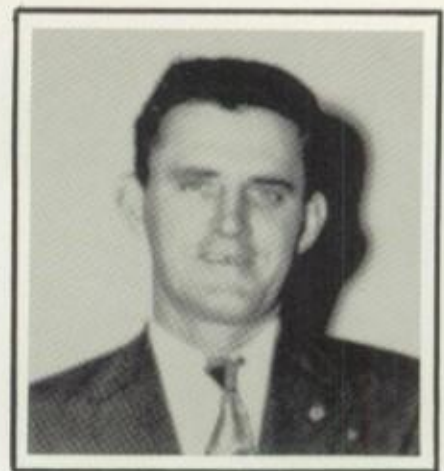

Raymond E. Sawditz

CLASS POEM

Soon the tramp of our footsteps in the halls
Of Martin will be past;
Long, happy hours we have spent,
And goals reached at last.

Our success has been that of our own choosing.
Our task is done?
No, the labor here has been but the preparation
For the future - It has just begun!

With us we shall carry fond memories
Of carefree hours;
Together we have shared joys and sorrows,
Friendship and guidance have been ours.

Memories, too, of football and team spirit,
And, of course, the exciting night
When we beheld high exhilarating moments,
And Cordova lost the fight!

The influence of our time spent
Stands firm amid the storm
To ever gird and guide us
With wisdom, strong and warm.

Poet

Priscilla Perry

REVERIES

Come with me to the land of Tomorrow --- that lovely place of which dreams are and long hours of sleeplessness are spent in anticipation for. I shall try to foretell just a hint of what the future may hold for you. So come with me, seniors, far, far away into the mist of years to come.

My mind is in a trance and it goes farther and farther away stretching out over the years . . . Now, on this day, my mind wanders to places near and distant, and I see:

. . . Faye Blackwell, "the hostest with the mostest," skimming across the country on a huge airliner at breakneck speed.

. . . Buddy Earnest, businessman in a blue serge suit on the airliner, now owner of the exclusive C. M. Earnest chain stores.

. . . Ray Franklin, Esquire, also on board, rushing to a stockholder's meeting of Greyhound Bus Lines, which he now owns.

. . . Faye Mize, the now famous model, Famree, for CHARM magazine, vacationing in sunny Florida.

. . . Booba Davis, owner of the "Happy Home Kennel for Lost Dogs"; it appears that she has collected fifty stray ones herself.

. . . Brady Kilpatrick, the famous trial lawyer, just winning his twenty-third consecutive case.

. . . Ed Perry, the judge under which Brady tries his cases; there must be some connection.

. . . Patti Hyché and Priscilla Perry, suing two unfortunate young men for breach of promise; both school teachers, they say they have been twenty-five too long.

. . . Billy Custred, with his family, vacationing at Cape Cod, enjoying two week's rest on those balmy shores.

. . . Brenda Earnest, now famous, noted, and very learned lecturer on the age-old study of "How to Marry a Millionaire"; wonder why she doesn't take her own advice?

. . . Damon Hitt, exclusive owner of a patented toupe guaranteed not to come off; the color of the "wig" is red, of course.

. . . Gradis Gant, hair stylist for many of Hollywood's most prominent female stars; he's particular about long hair.

. . . Andy Filyaw, star halfback for the Los Angeles Rams; and All-American.

. . . Eunice Wilhite, manager of the Marie Belle Candy Shop in Birmingham; she always was sweet.

. . . Carolyn Ingle, half time private secretary, half time housewife, to the same man; just like her to work things out like that.

. . . Jimmie Gant Sanford and Sylvia Smith, the inseparable two, co-owners of the Syl-Jym Charm and Beauty Salon.

. . . Terry Quillen, famous comedian and M.C. of his own daytime TV show, "The Merry Terry Hour."

. . . Vondol Key, ardent wife and den mother for the Boy Scouts; she has almost enough boys to make a good start toward her own den.

. . . Clayton Jackson, author of the best selling novel, MIDNIGHT IN NEW ORLEANS, widely renowned and publicized.

. . . Libby Harsany and Barbara Carmichael, squabbling over who's going to be president of their new "Lonely Hearts Club"; they have over 1,000 members -- all men.

. . . Larry Morrow, owner of a large, prosperous grocery store and part-time manager of the Little Leaguers (four of them are his).

. . . Bruce Pate and Don Short, business partners in a small commercial airplane company; they rent jets to people who can't afford cars.

. . . Henry Copeland, the man behind the scenes of the launching of the new Neptune "P" missile, that went around the sun in eighty days.

. . . Brenda Busby and Shirley Key, two competent secretaries to two unattached incompetents of the male species; this spells double trouble.

. . . Leon Gant, starring in what may be his best picture yet; he's the most current cowboy star of the day, "Tall John Hall."

. . . Bobby Kimbrell, coach of the Baltimore Colts, has just received the "Coach of the Year" award; he's worked hard for it.

. . . James Richardson, professor at Walker College, has just published a book called ALGEBRA MADE EASY, and has sold over 10,000 copies to students in Walker County alone.

. . . Robert Walden, broadcasting over Radio Station BARK, is a rising disc jockey; he's popular with teen-agers, but doesn't like rock and roll.

. . . Evelyn Latham, a missionary in Europe, is quite successful; she had a tragic ending to a previous romance and turned to missionary work.

. . . Quinton Jones and Autry Smith, co-partners of a 100,000 acre Texas ranch full of oil wells; the female population is still chasing them.

. . . Eunice Hicks, still single, but a highly paid private secretary for Keppenheimer's, a very prominent law firm.

. . . Fred Kelley, a successful diversified farmer and father in his home county.

. . . Sonja Smith, buyer for the ladies' department at Loveman's, and also head of the complaint department there.

. . . Charlie Richardson, a well-to-do business man, hunting and fishing down in Louisiana.

. . . Ed and Olen Stover, rising young men in the armed forces; Ed, quite suitably, is a colonel, but Olen, not so aggressive, is a major.

. . . Kay Sanford, tennis champion, is starring in the Olympic games with a big chance of taking the world's title.

. . . David Turner and Jeff Sanford, who, after school, went into business together, and now are owners of the Brawnmar Riding Academy, out on a pleasant jaunt together.

. . . Queze Cottrell, who was always undecided, has finally settled down with Pheneas T. McGillicutty, alias (?).

. . . I, myself, other than being a pretentious prophet, am endeavoring to write a book and also work as a part-time fashion designer for MADEMOISELLE magazine.

as human eye could see;
Saw the Vision of the world, and
all the wonder that would be."

The Glad Era

I shall endeavor to relate to you the highlights of the Class of '59 during the past quadrennial. We would like to share with you this retrospection of our activities and experiences as a class.

Freshmen -- we were All-American know-it-all Freshmen. We were eager to accept the responsibilities of a high school student. Our boys became daring Martin Warriors, with some of our girls cheering them on. The first maid and her escort at Homecoming were sponsored by our class. And when the Warriors won a trophy from the Birmingham News, we felt that we had contributed much.

Well! We were actually grown-up Sophomores! This year we threw ourselves into extracurricular activities. Of course, there was football, basketball, baseball, and cheerleading, but now we were Thespians and Betas.

To keep up with our school work and other-than-school work required an assiduousness which was at the time unfamiliar to us. But having already taken two steps up the ladder, we knew that we must take the two remaining.

Our third step -- and we were JUNIORS. This was a most memorable year. Our class was divided, but we worked well together. We boasted, bragged, and looked down on every other class. The captain of the football team, head cheerleader, and a Homecoming maid were members of our class. Our float was first-place winner in the Homecoming parade, and after the game, we were host to a jubilant victory party. For the first time in several years, the Junior Class presented a three-act play. We were making history! As the year drew to a close, we feted the Seniors with an incomparable banquet -- the glorious climax to months of secrecy and hard work. Time began to slip past a little too swiftly. Too soon it was May, and we had completed our Junior year in high school.

And now -- the Grand Finale -- we're SENIORS and still the greatest class that ever hit (literally!) Martin High School. Again we have the football captain, head cheerleader, and winning float in the parade PLUS the co-captain of the football team and this year, Homecoming Queen! Our football and basketball teams, composed mainly of Seniors, have had outstanding seasons this year. As for the incomparable banquets and parties, we plan to be the recipients!

However modest we may be, we cannot deny the fact that there will never be another class so outstanding as, or equal to ours. But don't fret, Underclassmen, your day will come, and there's a chance that it might be ALMOST as glorious as ours!

It is a rebuilding job at Martin high

It is a rebuilding program at Martin high school this year for Coaches Hub Dotson and Milford Cook.

The Warrior football team of

1958 should be lighter and faster than previous Martin teams. As the Warriors of Martin took the field this week for their 10 day limbering up exercises in shorts (no pads

allowed) the theme was speed and more speed.

Missing from the new squad is the entire 1957 backfield of Gerald Key, Ray Self, Billy Custred and LeWayne Naramore. Missing from the forward wall are Manville Custred, Bobby Groves, Ronald Townley, Dewight Prestridge, Blum Stover (doctors orders), and Lewis Keeton.

The 1958 team will be built around 6'6", 215 pound Tackle Henry Copeland; Co-Capt. Blum Stover who tips the scales at 215 on a 5' 10" frame. He has been shifted from guard to tackle. Larry Morrow, the all-county pivotman and team captain tips the scales at 195 and takes great delight in racking up opposing backs.

Other prospects are; Guards—Don Short and Bruce Pate; Ends—Davis "Red Bone" Key, Albert Price, Toney Herron, Buddy Merrill.

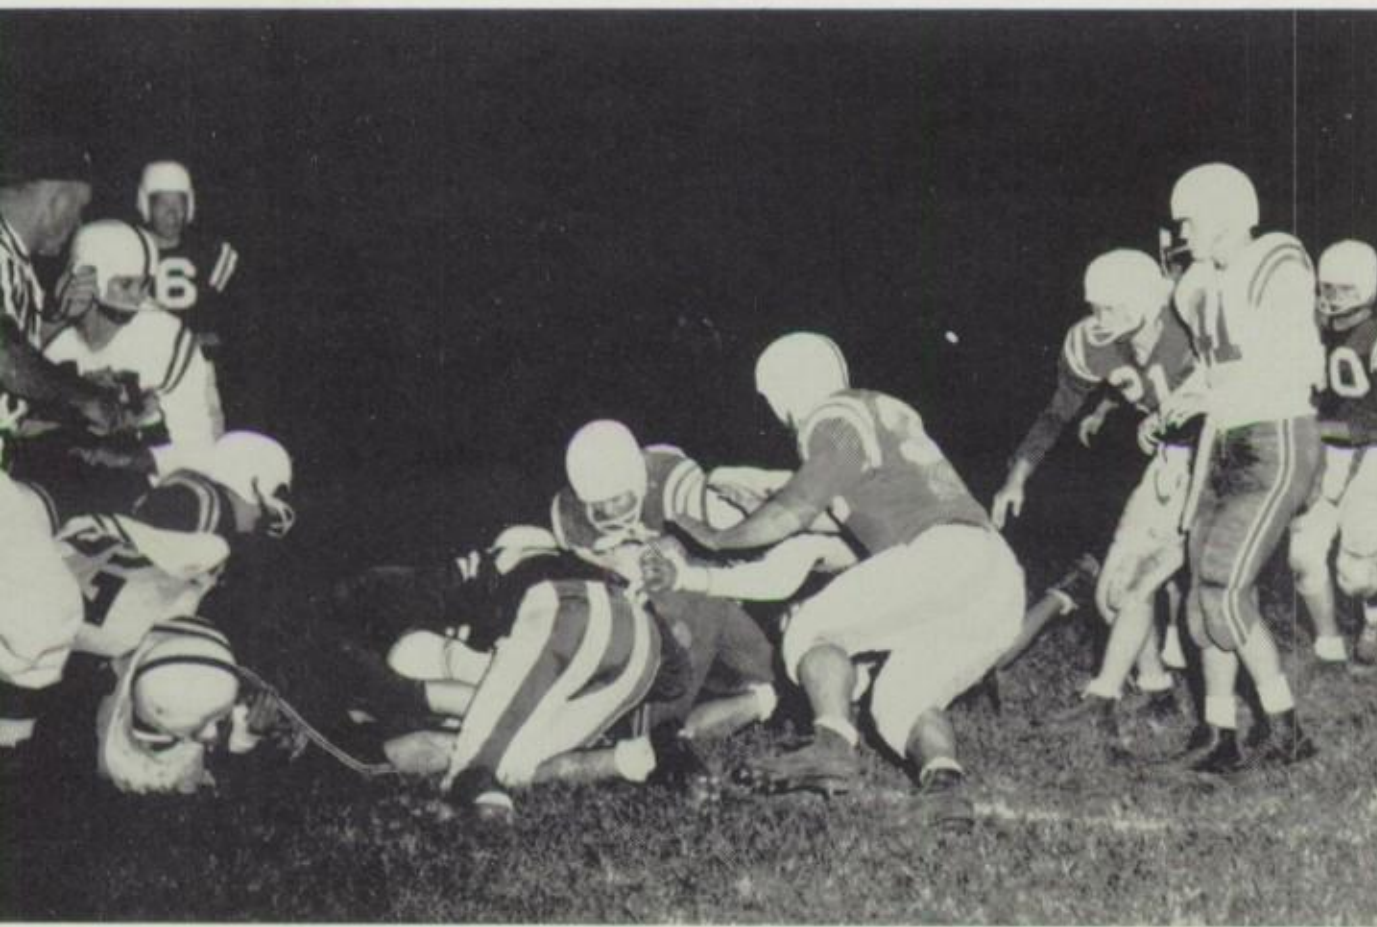

Backs—Alton Key, Andy Filyaw, Bobby Kimbrell, Wayne Gross, James Richardson and Buddy Earnest.

Davis Turner at center is expected to push Morrow for a starting berth. A fine looking prospect for a tackle slot is Joe Sanford. A pair of new ends who may see service before the season is half way along is Larry Jackson and Jerry Jones.

The Martin Warriors will face two new opponents on the gridiron this fall. They are Thompson of Siluria and Oak Grove. Both games are on the road.

The 1958 Thomas W. Martin high school football schedule:

Sept. 12—Martin at Curry
Sept. 19—Oakman at Martin
Sept. 26—Martin at Dora.
Oct. 3—Carbon Hill at Martin
Oct. 10—Parrish at Martin
Oct. 17—Martin at Thompson of Siluria
Oct. 24—West Jefferson at Martin
Oct. 31—Martin at Oak Grove
Nov. 7—Cordova at Martin

Let's all get on

Martin wins; Cordova next

The Martin Warriors of Gorgas continued to show improvement this week when they defeated Oak Grove Monday night 13-6 for their second win in a row.

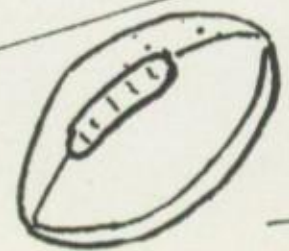

Coach Hub Dotson's crew of Gorgas will play their final game of the year Friday night at Gorgas where they will host the Cordova Blue Devils.

Martin's two touchdowns Monday night were made by one of the coming gridiron stars of the county. He is Andy Filyaw. Filyaw made the first Warrior TD from close up after a quarterback sneak had failed.

Filyaw galloped 75 yards

to ice up the game on a punt return. Quarterback Kimbrell made the PAT.

The Oak Grove TD came in the fourth period on a 35 yard fake pass run by Salters. It was fourth and 35 to go when Salters attempted to pass, tucked the ball under his arm and set sail.

The Glitter Bug

Here I come, boys!

Martin blasts Cordova, 27-6

GORGAS, Nov. 10—Brilliant quarterbacking by All-County candidate Bobby Kimbrell led the underdog Martin Warriors to three 4th quarter tds and a stunning 27-6 upset over the highly regarded Cordova Blue Devils Friday night. Martin was never behind in the game, which provided thrills galore for the overflow crowd at Martin stadium.

After a slow start this season, the Warriors came on to win four out of their last five encounters. Friday night's victory was strictly a team effort, with practically all of Martin's players seeing action. The big, tough forward wall, led by Larry Morrow, Ed Stover, Henry Copeland, Bruce Pate, and Don Short manhandled the

Cordova backs time after time. Only once did the Blue Devils come close to getting in the game.

Martin won the toss and chose to receive. After picking up a first down, they were held and forced to punt. Several exchanges of kicks followed until the first break of the ball game came for Martin. Harbison was hit hard by 215-pound Henry Copeland and fumbled the ball near mid-field. Martin pounced on the ball as the first quarter ended.

Shortly thereafter, Kimbrell uncorked a pass to end Wayne Gross to set up the first score. Line plunges by James Richardson, Andy Filyaw and Joel Naramore moved the ball to the one, where Kimbrell dived in for six points. Filyaw added the PAT. The remainder of the first half found Cordova unable to move against the determined Warriors and Martin led 7-0 at halftime.

Cordova began the second half with lots of steam, and with the aid of three 5-yard penalties, carried to the Martin four. Three times at the Martin line got only three yards, but on fourth down, the Blue Devils scored. Harbison's try for the extra point was no good. The third quarter ended with the score Martin 7, Cordova 6.

The Warriors really put on an offensive show in the final period, controlling the ball most of the time. Joel Naramore sprinted across from 6 yards out to score the second touchdown for Martin. The PAT was missed.

Harbison returned the kickoff to the 35. Sularin attempted to pass, only to have center Larry Morrow intercept and return to the Cordova 40. Martin drove on down the field, sticking to the ground. James Richardson pushed the ball across the goal for another touchdown. Kimbrell faked beautifully and passed to Gross for the PAT.

U'all are behind!

Thought we could.
Knew we could.
We did.

Do You Remember When? —

Martin Is County's Darkhorse Hoop Team

Hub Dotson's Martin Warrior basketball team has the longest winning streak in the county now. Since Jan. 2, the Warriors have posted six straight victories with wins over Carbon Hill, two over Curry, Dora, Parrish and Oakman.

Martin got her winning streak going with a 86-80 win over Curry. Then she defeated Carbon Hill at Martin 61-59 in an overtime tilt. Dora fell before the Warriors 58-51 last Friday night. Playing in a preliminary game Saturday night, Martin again topped Curry 65-58 in the Walker gym. Parrish was defeated Monday night at Parrish 56-48 and Oakman was on the short end of a 53-33 score Tuesday.

Allen Stephenson and

Henry Copeland are the "big guns" in the Martin offense and defense. Autry Smith, Andy Filyaw, and Herron complete the first five. Price, Gross, Quillian, Kimbrell and Perry make up the Martin bench.

Copeland was the pace setter in Friday night's victory over Dora with 19, Stephenson meshed 11, Filyaw nine, Smith eight, Gross and Herron four and Kimbrell three. Jimmy Phillips led Dora's attack with 12 while McCrary, Vintson and Sides bagged nine each, Jenkins six and Westbrook two.

Stephenson and Filyaw hit 17 each in the Saturday night win over Curry and Copeland was close behind with 16. Archie Dotson of Curry set the pace for top

scoring honors of the game with 22.

Stephenson meshed 27 markers Monday as Parrish went down 56-43. Copeland hit 19, Herron eight and Smith two. Leon Hice bagged 21, Gravitt 15, Wade 7, Douglas four and Brakefield one for the losers.

Copeland led the attack on Oakman with 15, Stephenson followed with 10, Smith eight, Filyaw five and Kimbrell four. Oakman's scoring went to Williams five, Jones seven, McKindley eight, Mullinax 16 and Hood 2.

Martin will be trying for her seventh consecutive hardwood win Friday night when she host Martin. A "B" preliminary will be played between Walker and Martin.

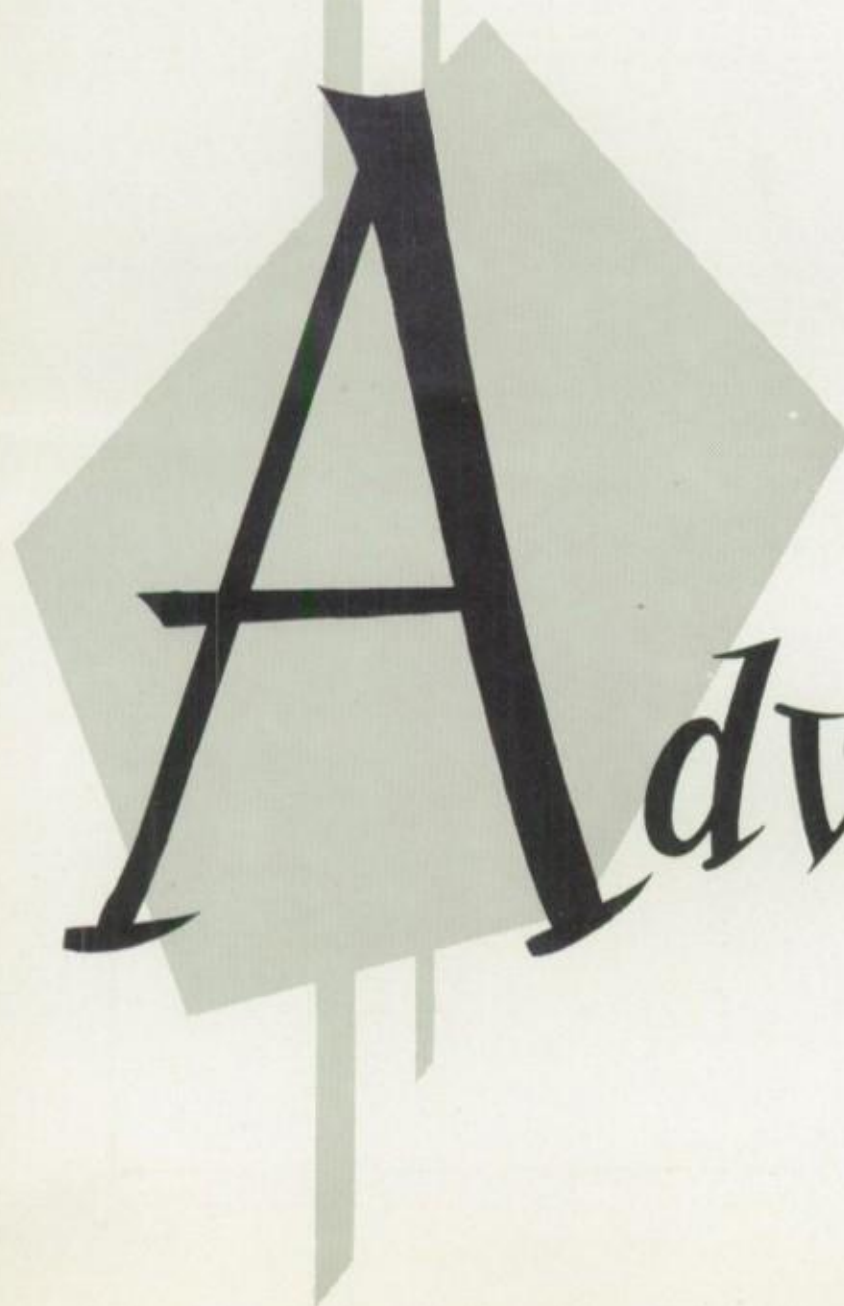

Martin posts eight in row

GORGAS, Ala., Jan. 23—Martin High School Warriors boast one of the district's longest winning streaks today. Out of a 54-53 win over the Minor High School Tigers earlier this week, they've won eight in a row now.

Tall Henry Copeland, with a big assist from play-making Autry Smith, paced the Warriors against Minor with 17 points. Long-shooting Andy Filyaw followed with 14 and Smith netted 10.

Tony Herron and Allen Stephenson joined Copeland with some steady rebounding, and Bobby Kimbrell and Wayne Gross come on late to turn in standout defensive games.

For Minor, Graves had 16 points and Linn and Creel 13 each.

Dr. Robert Cummings
Smith's TV Service

While looking back over what we have accomplished in the past years in school, on our annual, in extracurricular activities, and in our studies, we feel awed. We may have complained somewhat, but it was truly worthwhile and lots of fun.

We thank our teachers for the help they have given us, though surely their patience must have worn thin. There's a brighter side, for we hope someday to make them proud of their handiwork.

We know that, though we may not admit it, we will long to be back in these halls with our friends and to have the security of being within these walls.

We know not what lies ahead, but we do know that only until we get a firm grip on life and its wonders will we truly be a happy, successful, and useful citizen in this wonderful democracy of ours.

Speaking for the annual staff, I wish to sincerely thank each person who helped us on the yearbook. We sincerely hope that everyone who turns the pages of our MARTINIAN will enjoy it.

Sincerely,

Patti Styches
